

# FLOORTECH FT-55C/55B

Auto Scrubber With Cable/Battery

Floortech offers you a complete range of innovative Scrubber dryers all designed to accommodate not only your most demanding professional cleaning needs, but also to match your specific level of requirements in terms of suction power, with features such as very low noise and high performance.

20" Hard Brush

20" Pad Holder

The Floortech walk-behind scrubber dryer is carefully designed to improve productivity and drive down your total cleaning costs. The Walk-behind series has retained the best of the former generation, but offers more comfort and productivity in an improved design.

### Features

- The low noise level enables daytime cleaning for increased comfort and efficiency
- Polyethylene corrosion proof rotomolded tank ensures durability
- Automatic squeegee release when hitting obstacles provides reliable use and extended lifetime of equipment
- Large recovery tank and removable lid for easy cleaning
- Most electrical components are placed in dedicated water proof box for reliability and safety.
- Use of high quality batteries and chargers for long working hours.
- Solution and collection tanks capacities are bigger to ensure long working hours.
- Curved water squeegee to absorb water more effectively.
